

Hi, I'm Climate Toothpaste. I want to connect you with climate advocacy groups in your area. A lot of people are concerned about climate change, but feel overwhelmed by the problem, and they don't know where to turn. **Good news:** amazing groups are already working on solutions! I'm here to help you learn about these groups, so you can find a fit.

Here's a text you can use to introduce yourself:
I'm concerned about climate change and am learning how to be involved with climate solutions/ carbon pricing initiatives/conservation. Can you tell me about your group and what you do?

MICHIGAN

Pricing Carbon

Citizens Climate Lobby
www.citizensclimatelobby.org

Citizens Climate Lobby is an international organization that is trying to pass legislation for a national carbon fee and dividend. What's missing from climate change? Political will. CCL creates that political will by educating about climate change. CCL has thirteen chapters throughout Michigan.

Climate/Environment

350.org www.350.org

A global grassroots climate movement that holds leaders accountable to the realities of science and the principles of justice. Through

online campaigns, grassroots organizing, and mass public actions, 350 brings together a global network in over 188 countries. 350.org has chapters in Kalamazoo, Lansing, and Ann Arbor.

Environment/Conservation

Sierra Club

Contact: uws@michigan.sierraclub.org

Protects wilderness, helped pass the Clean Air Act, the Clean Water Act, and the Endangered Species Act. For nearly five decades, the Michigan Chapter has organized the bold action of citizens working together to protect and restore our Great Lakes state's health and heritage. The Sierra Club has 11 groups throughout Michigan.

Climate Mobilization

The Climate Mobilization
www.theclimatemobilization.org

Climate change presents us each with a fundamental choice. Will we be passive as civilization slowly collapses around us? Or will we mobilize and fight back for a 100% clean energy future? The Climate Mobilization believes we need a WWII-scale national mobilization to fight climate change.
